CORDLESS TABLE LAMP GLOBE AVALON

Item# K70204

Ordering Code GLOBE/TL/AV

UPC 810087085711

GLOBE - where artistic design meets portable sophistication.

This enchanting table lamp pairs a pristine white glass orb with a playfully stepped, colorful base to create a visual statement that's both timeless and contemporary. The milky glass sphere diffuses light evenly throughout your space, eliminating harsh glare while creating a soothing ambient glow that transforms any environment.

Crafted with meticulous attention to quality, GLOBE features a precision die-cast aluminum base that provides both stability and refined aesthetics.

At Kibün by Bulbrite, we've leveraged over 50 years of lighting expertise to create a truly portable lighting solution. GLOBE frees your space from the constraints of cords and outlets, offering remarkable flexibility for indoor settings.

Experience customizable brilliance with three illumination levels - from subtle 60-lumen ambiance to brilliant 300-lumen task lighting. The 2700K warm white temperature and exceptional 90+ CRI ensures colors appear rich and true to life under ORB's gentle radiance.

With its compact yet impactful dimensions of 6.6" diameter and 11.25" height, GLOBE makes an elegant statement while remaining delightfully portable at just 2.6 pounds. Select from our curated palette of sophisticated finishes - the deep richness of Oxblood, the industrial elegance of Iron, the organic subtlety of Moss, the serene Avalon, or the vibrant energy of Citrone.

- Timeless design pairs pristine white glass orb with stepped base for visual impact
- Die-cast aluminum base provides both stability and refined aesthetics
- Advanced cordless design with 8+ hours of battery life for ultimate placement flexibility (includes USB-C charger)
