CANDLESTICK - where historical elegance meets modern illumination.

This delicate accent piece draws inspiration from the classic candlestick silhouette, transformed into a cordless lighting treasure for contemporary spaces. The beautifully fluted acrylic lens diffuses light with remarkable softness, creating an intimate glow reminiscent of candlelight yet offering the convenience and safety of modern technology.

With its petite dimensions of just 2.75" diameter and 8.75" height, CANDLESTICK weighs only a pound, making it the perfect companion for nightstands, reading nooks, window ledges, or dining vignettes. This portable lighting solution from Kibün by Bulbrite effortlessly moves with you throughout your home, freeing your lighting design from the constraints of outlets and cords.

At Kibün by Bulbrite, we've leveraged over 50 years of lighting expertise to create a truly portable lighting solution. CANDLESTICK frees your space from the constraints of cords and outlets, offering remarkable flexibility for both indoor and outdoor settings.

Experience customizable brilliance with three illumination levels - from subtle 60-lumen ambiance to brilliant 300-lumen task lighting. The 2700K warm white temperature and exceptional 90+ CRI ensures colors appear rich and true to life under CANDLESTICK's gentle radiance.

Available in two refined finishes - sophisticated Brushed Pewter, luxurious Brushed Brass or a new-age Graphite - CANDLESTICK complements both traditional and contemporary interiors for an elegant look.
