FLUTED COLUMN - where ancient architecture meets luxurious illumination.

This stunning accent piece draws inspiration from the majestic columns of Greek antiquity, transformed into a portable lighting masterpiece for discerning interiors. Each base is meticulously carved from genuine natural stone - either sumptuous black marble or elegant travertine - creating a foundation of enduring luxury that supports a perfectly proportioned dome in either chocolate bronze or brushed brass.

With its substantial dimensions of 10" diameter and 12" height, FLUTED COLUMN makes a commanding statement at 10 pounds. This substantial presence from

Kibün by Bulbrite combines the timeless gravitas of classical architecture with modern cordless convenience, liberating your design vision from the constraints of outlets and cords.

At Kibün by Bulbrite, we've leveraged over 50 years of lighting expertise to create a truly portable lighting solution. FLUTED COLUMN freeing your space from the constraints of cords and outlets, offering remarkable flexibility for both indoor and outdoor settings.

Experience customizable brilliance with three illumination levels - from subtle 60-lumen ambiance to brilliant 300-lumen task lighting. The 2700K warm white temperature and exceptional 90+ CRI ensures colors appear rich and true to life under FLUTED COLUMN's gentle radiance.

Choose between two exquisite pairings - Brushed Pewter dome with Travertine base or Brushed Brass dome with Black Marble base. Due to the inherent uniqueness of natural stone, may feature subtle variations in patterning and
