ORB by Kibün - where geometric perfection meets material opulence.

This captivating accent piece features a luminous cased two-layer opal glass globe that radiates a gentle, ethereal glow throughout your space. The innovative design places this perfect sphere within an artfully angled metal shade that cradles the removable glass element, creating a striking visual composition that's both contemporary and timeless.

Each ORB rests upon a foundation of genuine natural stone, adding both dimensional interest and substantial presence to this compact masterpiece. With perfectly balanced proportions of 7" diameter and 8.5" height, ORB commands attention at 4.75 pounds while remaining easily portable, liberating your lighting design from the constraints of outlets and cords.

At Kibün by Bulbrite, we've leveraged over 50 years of lighting expertise to create a truly portable lighting solution. ORB freeing your space from the constraints of cords and outlets, offering remarkable flexibility for both indoor and outdoor settings.

Customize your ambient lighting experience with three distinct brightness levels - from a subtle 60-lumen whisper to a room-filling 300-lumen brilliance. The warm white 2700K temperature combined with exceptional 90+ CRI rendering ensures colors appear rich and true beneath ORB's gentle luminance.

Available in two exquisite pairings - Chocolate Bronze shade with Travertine base or Brushed Brass shade with Black Marble base. Due to the inherent uniqueness of natural stone, each ORB features subtle variations in its base, ensuring your lighting piece is truly one-of-a-kind.
