### CORDLESS TABLE LAMP STARGAZE BLACK

Item# K80140

Ordering Code STARGAZE/TL/BK

UPC 810087085407

Effortless lighting, designed by the experts to fit any mood.

Introducing the LED Outdoor Collection by Kibün by Bulbrite—where timeless design meets modern performance. Built on Bulbrite's 50+ years of lighting expertise, this cordless, rechargeable lantern delivers 350 lumens of warm, reliable light, ensuring your outdoor moments are beautifully illuminated. Customize your lighting with 3 color temperatures—2200K (Amber), 4000K (Cool), and 5700K (Daylight)—and choose between 2 distinct modes: pulsing light for dynamic effects or static light for consistent illumination. Adjust brightness effortlessly with full-range rotary dimming for the perfect ambience.

Designed to move with you, the Stargaze features a fully dimmable LED light, so you can brighten your path or set the mood for an evening under the stars. Its lightweight yet durable frame makes it the perfect companion for campsites, backyard gatherings, and power outages alike. The stylish hemp rope handle allows for effortless carrying and hanging—whether from a tent, tree, or porch hook.

At Kibün by Bulbrite, we believe that better light means better life. With the Camping Lantern, we bring effortless, professional-grade illumination to your outdoor adventures—because the best moments don't end when the sun goes down.

- Heritage-Inspired Design, Engineered for Adventure – A modern take on the classic camping lantern, blending vintage charm with Bulbrite's expertise in high-performance lighting.
- Superior Illumination, Tailored for the Outdoors – 350 lumens of powerful, warm light, fully dimmable to adapt to any outdoor setting—from moonlit strolls to campfire gatherings.
- 3CCT Selectable Dimming with Versatile Modes: Customize your lighting with 3 color temperatures—2200K (Amber), 4000K (Cool), and 5700K (Daylight)—and choose between 2 distinct modes: pulsing light for dynamic
